- **TogetherAll:** Free 24/7, online, peer-to-peer support community dedicated to mental health and well-being. Licensed and registered mental health practitioners monitor the community to ensure the safety and anonymity of all members. <https://go.rutgers.edu/togetherallrutgers>
- **Uwill:** Students receive free immediate access to teletherapy through its online platform. Choose a therapist based on your preferences including issue, gender, language, and ethnicity. Appointments available day, night, and weekends. <https://app.uwill.com/>.

## Do Something

If you are not sure what to do about a friend, and they are not in immediate danger, share your concern at [dosomething.rutgers.edu](http://dosomething.rutgers.edu). The appropriate campus resource will contact them within 2 business days. Please note this should not be used in an emergency as the response is not immediate.
